Rules of the Event	<p>Matchplay, is played hole by hole using the Matchplay Index. A hole is won by the player or side that holes the ball in fewer strokes. In Handicap the lower nett score wins. The score is kept by the term "holes up", "holes down" or "all square".</p> <p>A hole is halved if each side/player holes out in the same number of strokes or the same nett score.</p> <p>A player/side may concede a hole or a match at any time before to the conclusion of the hole or the match. Concession of a stroke, hole or match may not be declined or withdrawn.</p> <p>A player/side are "dormie" when as many holes are up as there are holes left to play.</p> <p>A match is won by the player/side when the number of holes "up" is greater than the holes remaining to be played.</p> <p>Note:</p> <ol style="list-style-type: none"> (a) Scratch Events – A match that ends all square shall be continued hole by hole from the hole where the match began, until one side wins a hole. (b) Handicap Events – As in scratch events, but with strokes being allowed as if the match has been recommenced and strokes are allocated using the Matchplay Index on the scorecard. (c) Handicap Matchplay – The method of ascertaining each player's Handicap is that the lowest marker, in any particular match, goes back to scratch and then the other player or players are given the difference in their respective handicaps, with the strokes allocated using the Matchplay Index on the scorecard.
