Club Championships Round 1 & 2

Sombrero Sunday

In what was dubbed Sombrero Sunday, two Mexicans had a win on the same day! Abraham Ancer won the Aussie Open in fine style, and Benjamin Gijon has a day out in Round 2 of the Clubbies with the best Nett score of the day and leading C Grade.

Eagle's Nest claimed

A highlight of Nicholas Hallam's Sunday round was holing out on the 15th hole to win the Eagle's Nest. He claimed a fistful of sponsored balls courtesy of the Foot Clinic at Point Cook.

Run out on 99

Former local cricketing legend Dale Roseburgh wished he was donning the flannels as he neared the century coming down 18. Nailing a slick 4 footer in blustery conditions ensured the bat wasn't raised.

9 1 1

Guess the son who made the following prank call whilst caddying for his deflated and defeated father.

“9 1 1 – what's your emergency?”

“Dad's playing clubbies, and can't get out of a bunker, can you send help!!”

Leaderboards

Kiandra leads a small field in the race to take out the Women's Championship for a second consecutive year, with Song Ja holding a three shot lead over Kerry Hansford in the Nett results.

In the Seniors, the reliable Kevin Birtles leads both Gross and Nett, with Geoff East nipping at his heels. With two rounds to go over Saturday and Sunday there's still a host of chances to get their hands on trophies Sunday evening.

Dreadlocked Jake holds a strong nine shot lead in the junior division, with the ubiquitous T Dodds leading the Junior Nett by 3 shots. There's plenty to play for over the weekend for both these Junior Pennant Reps.

Following Sombrero Sunday Ben Gijon sits atop the gross C Grade leaderboard with Luke Evans and Barry Vincent the best of the rest. Marcus Bertino heads the Nett listing following a scintillating Nett 67 on Saturday.

Tim Nevett holds a one shot lead over Andrew Morgan in B Grade, but they're not the only players in contention with 9 players within 4 shots of the lead. It's a similar story in the Nett B Grade with VC Shaun Smith and Taegen part of another bunched leaderboard.

At the pointy end of A Grade, a changing of the guard is likely with a returned and refreshed Gia tied at the top with Imran. The final group on Saturday includes Daniel Adem and Johan who, only two shots back are right in the mix. A further 8 players are within 5 shots of the leading group. It's looking like its going to be a big day moving day!

It's tight at the top of the A Grade Nett run down with Steele and Raul leading a host of chances over the last couple of rounds.

Sunday's Draw

Players in all grades will be seeded by Grade again on Saturday evening after 54 holes. Following this your tee time will be emailed to you and ready for viewing by approximately 7.30pm. If you are not in the final few groups your tee time will be similar to Saturday.

Matchplay Qualification

Remember top 8 Nett scores by Grade qualify for their respective Grade matchplay which is scheduled for February 2019. The top 8 Open Gross scores qualify for the Links trophy in January.

Presentation

Presentations will take place following the completion of play and verification of scores and grade winners.

Perpetual and individual trophies will be awarded to all grade champions.

So even if you're not in contention, get to the Norman Room from about 5.30 on Sunday night and congratulate the Class of 2018 on their respective victories. Following the formal presentations a few members will strike up a tune or two for your entertainment!

Thank you to our club Championship Sponsors Cloud Made Simple and Whitecross.

Social Play is available on the next two Saturdays

Tee times from 1:30pm-3pm from the 1st tee will be allowed for social play over the next two Saturdays during Club Championships. Please make sure that you rake all your bunkers to assist grounds staff during this busy period.

A reminder to all competitors playing in the club championships that no practice is allowed in between your rounds as this is a breach.

Errant Shot on the 7th

Last Saturday morning, during the first round of Clubbies, an errant shot on the 7th Hole caused damage to the window of one of our Members who live on the course. If you think you may have had an errant shot on this Hole please contact the Administration Office. We are able to claim this under your golf link and that leaves no one out of pocket to replace the window.
