NBN Deal - Telstra Point Cook

As many of you know, the NBN is now in many parts of Sanctuary Lakes. We have been working with Craig Kennedy (our former Club Chairman) who continues to be one of our club's major sponsors through his business franchise which is the Telstra Store at Point Cook Town Centre.

We have arranged an exclusive offer for members of SLCL. Any member who places an order to connect to the NBN through the Telstra store Point Cook between now and the 31st March 2019 will receive a dozen free golf balls. NB: Orders must be placed by 31st March and they must ultimately complete the connection to be eligible. You also have to be an SLCL member to be eligible.

All you need to do is place an order with the Telstra Shop Point Cook and bring in your reference number once connected. Please note this is a local initiative sponsored by Craig's store. If you connect via another Telstra department, store, call centre or online you will not be eligible. We appreciate this is a way our members can gain a benefit and also support our local sponsors and business's.

As a gesture of goodwill. Craig has advised that anyone who has already connected to the NBN since 1st January 2019 through his store will also be eligible for the free ball promotion.

M&G Committee Voting

We have received a number of Nominees for the vacant Match and Green Committee positions, as such a Members vote is required to decide the new additions. Early next week we will circulate a brief bio on each of the Nominees and a link to a survey for you to select your preferred candidates.

Members can vote only once and will have the ability to vote electronically via the survey, or by ballot paper which will be located opposite the golf shop.

Following nominations, an election process will be communicated in a future newsletter.

Welcome New Members

Last night we welcomed 11 new members to the Club, with Dan and Kacey hosting our monthly induction evening. Members were provided with a brief history of the Club, as well as guidance as to how to make bookings, what booking rules apply to each category, as well as course and cart etiquette.

Welcome to Stuart Gardner who has rejoined after a stint in Sydney, and to new 7 day members Gert, Daniel, Jeff and Ian. Aptly named Peter Tee has joined as a 6 day member, Joey Furnival makes his way back onto the course and is joined in the intermediate category with Stuart Stone. Our inductees were rounded about by a couple of juniors in Nathan and William, as well as young gun Chilton progressing to full membership.

Make them all feel welcome if you meet them in the Clubhouse or on course!

Temporary Local Rules

FULL RELIEF MAY BE TAKEN DUE TO SCARIFYING PATCHES SURROUNDING THE FRINGES OF THE GREENS:

Scarifying patches on closely mown areas surrounding the fringe areas of the greens, and inside the 'Blue lines' are considered as GUR – Abnormal Ground Conditions – Rule 20-3d. Full Relief may be taken; one club length, no nearer to the hole.

Werribee Plaza

Plenty of interest at the Plaza on the weekend, with almost 100 people registering interest in golf and what Sanctuary Lakes has to offer.

The young, and young at heart all had a swing in the inflatable hitting bay sourced from the PGA. Our team of professionals, Chris, DV, Marcus, Matt and Dan all taking time out to provide some tips and encouragement to all wanting to have a try.

We had interest in our beginners clinics, driving range and Women's come and try day, so we hope to see some new faces in the coming weeks.

We'll be heading to Sanctuary Lakes Shopping Centre in the next couple of weeks to spread the word of golf!

VGA Pennant

No matches this long weekend which will give our teams a weekend off to regroup after both going down at Northern last weekend.

Round 3 see our guys heading to Rosanna next weekend.
