

## Weekly Newsletter 5<sup>th</sup> April 2019

### Rake your Bunkers!

“its not the Members!” Today it was.

The course guys work hard and are quickly judged on the way the course is presented each week. The below picture was taken 15 minutes after Mark’s crew had raked this bunker.

So, if your playing partner is guilty of not raking bunkers or filling divots, don’t be shy in shaming him and requesting he or she do so.

### Renovations Update

The warm weather of the last week has stimulated growth on the greens following the fertilising with ‘Nutri-DG Mag-tec’ and ‘Greenspec turf rally’, and being seeded with ‘Crystal blue links’ bent grass.

Mark’s happy with the progress in the 10 days since coring, and will be monitoring the growth rates before deciding on when to cut.

# ANZAC Day Shirts

With Anzac Day approaching our organisers for the day, Mick and Matt, have had commemorative event shirts produced. These can only be pre-ordered, as we will not be carrying stock of these.

Selling for \$40, profits from these will be included in the donation made to Soldier On!

**Orders for Anzac shirt close Friday April 12**

Shirts can be ordered by visiting Kacey or sending her an email at [club@sanctuarylakesclub.com.au](mailto:club@sanctuarylakesclub.com.au)

# The Salad Sanctuary

Welcome to Steph, Chris and Matty who will be the mainstays of the Salad Sanctuary Team who will be serving members and guests out of the Starters Hut and Drinks Cart.

They intend to gradually build up their offering as they get a better understanding of what members want, and what is possible. They are looking for input and feedback, so don't be shy, feel free to introduce yourself over the coming weeks!

## Golf Results

### **Friday Individual Stableford**
