

# 4BBB Team Matchplay

## Handicaps and giving shots in a Match

- Handicaps will be calculated (when the draw is made) before first round opens, and will be based on BLUE Tees for Men and Red Tees for Women).
- Your calculated handicap will remain valid\* for all remaining rounds of the Matchplay tournament.
  - **\*Note:** – calculated handicaps are only relevant for your participation in the 4BBB Team Matchplay competition, in all other competitions your normal daily handicap is applied.
- Individual handicaps for the Matchplay event will be listed on the Notice Board for reference.
- All play throughout the event will be off the **Blue Tees for Men and the Red Tees for Women**. If the tees are not out on the day then play will be off the plates.
- The following method will be used to calculate the number of shots given in each match as follows:
  - The player with the lowest handicap in the group goes to ZERO and receives no shots on any hole
  - All other player's handicaps are adjusted accordingly

Strokes given in all Matchplay events are based on the Matchplay Index in the table below. This can also be found on our standard (non-electronic) scorecards. Hole 8 is index 1, hole 12 is index 2 and so on...
