Members Information Night

Members,

A reminder that we will be holding a members information night on Wednesday 12th June at 7pm. We will be covering the key aspects of our strategic plan going forward and encourage you to come along and be part of the conversation.

We are excited about our future, the progress that we are making, and what work we have to do to continue to build a club you are proud of.

Course Update - Preferred Lies

After the great rain we received earlier this week, Mark and his team have continued their 'slicing' of the fairways to ensure the moisture penetrates the thatch layer. As a result of the recent slicing we will have a preferred lie rule in place for this weekend on all 'sliced' fairway areas of the course. The relief will be a free place of the ball, one card length no nearer the hole. This is just an interim rule and will be reviewed in the coming weeks.

Driving Range

The new hitting bays are in action for the first time this weekend, these are situated to the left of the range.

To allow the grass areas to recover over the winter season, there will be no hitting from the grass, apart from on the short game area.

BigGast Loser Update

Team Daniel came out on top over Team Chris in the 2019 BigGast Loser.

Team Daniel took a huge lead into the final day, his team members lost a combined total of 13% from their handicaps! Notably Zack Taipi who lost 28% over the 3 months period!

Team Chris rallied to try and claw back some dignity in the match plays with a strong performance from Kevin Anderson. However, it wasn't enough and Team Daniel took the trophy.
